DCCSC Member Announcements

Elizabeth mentioned that she knows of a candidate for City Council who was unable to run because she couldn't afford the filing fee. She would like the DCC to have a conversation about the possibility of providing funds to help local candidates. Also, there is a CD1 Alliance meeting on Thursday where they will be discussing Sierra Forward. Information about this organization can be found at: <https://www.sierraforward.com/>

Linda invited everyone on the board to be an election observer or poll worker because the "Voter Integrity" is going to have a presence so it would be good for Democrats to have a presence as well. You can call the clerk's office for information and applications.

Cork reported that there will be League of Women Voters Forums coming up.

Sarah went to see *Roe* at the Axiom Theater. She highly recommended going to see it. <https://axiom.vbotickets.com/event/roe/75731>
